

Exchange Program with Alicante, Spain

September 2017/February 2018

Since the late 80s, North Shore High School has had an active exchange program with the city of Alicante, Spain.

Every two years, we have the opportunity to host students in September from Instituto Playa San Juan and then experience Alicante for ourselves in February.

It is an exciting opportunity for us to immerse ourselves in the language and culture of Spain first-hand and begin cross-cultural friendships that will enrich our lives in high school and beyond.

The exchange trip is open to all current sophomores and juniors enrolled in a level 3 or 4 Spanish course. However, all participants must be enrolled in an upper level Spanish course.

The number of students that can go is limited by the amount of students that they bring. This September 2017, Playa San Juan will come with a group of 20 students. Several criteria are used to determine eligibility (recommendations of Spanish teachers, grades in Spanish, overall grades, etc.). In addition, the ability to host a student in September is important in order for you to be considered.

Please fill in the following information sheet whether or not you are interested in participating. Please give the bottom half to your Spanish teacher by **Friday, December 16, 2016.**
